

Agenda

As always we have a packed Agenda which includes:

- Demonstrations of the latest features of **Masterbill Elite** BQ Production, Cost Planning and Estimating Modules.
- The Official Launch of the **Masterbill Elite** Cash Flow Forecasting module including the ability to create a Cash Flow based on the Contractor's Programme Gantt Chart.

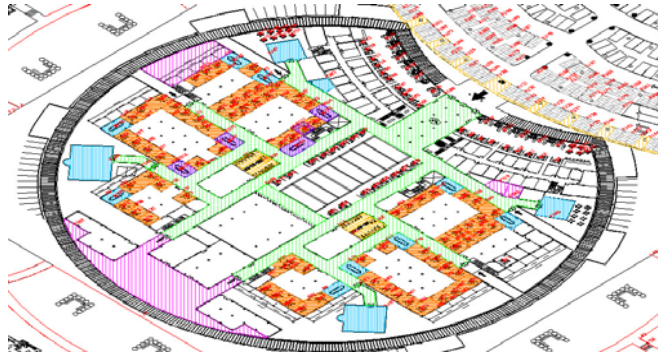

- A preview of the new **Masterbill Elite** Post Contract module which is due for release later this summer.

- A look at the **New Rules of Measurement (NRM)** and how we will be incorporating them into **Masterbill Elite** Cost Planning and BQ Production modules.

- A preview of our all new Online eTendering system which has come about after much discussion with our Local Authority User Group.

- Demonstrations of the latest features of **QSCad** our increasingly popular CAD measurement system.
- Opportunities to hear how others have benefitted from adopting **Masterbill Elite** and **QSCad**.

- Opportunities for you to give us your views on both new and existing products.
- Opportunities to meet and share your experiences with other Masterbill users.
- Workshops - opportunities to take a closer look at the systems with the help of our staff.
